

An illustration of a wooden construction site. The scene is composed of several light-colored wooden planks arranged in a rectangular frame. Various tools are scattered around: a hammer with a black handle and a silver head is on the left; a yellow-handled screwdriver is at the bottom left; a pair of pliers is on the right; and a small green box containing nails is in the top left. Several nails are shown in different orientations, some being driven into the wood. The text is centered in the middle of the frame.
